“ *To everyone in Joe's Life May we all ask for God hands to wrap us in his comfort as I don't believe their will be one person not hurting by the lost of Joseph. Joe was the most amazing person who all hearts would open too as he gave the realness of who he was to each and everyone of us. We laughed so much hours before his passing about how we drank the Derry water. We spoke about so many things, And he had to share with us pictures of his 3 girls he even described each one and his love for them. He shared Pictures of Sara and said with so much pride at how beautiful she was and how much he loved her. And his Mom Nancy He said she is the best person in his life and with all she has been threw he is happy that he has been here for her. He said she is where he gets all his strength. He loved his mom so much.. There is so much more and I hope that I can share more at his services as I truly feel God placed Joe with me for this reason. Dear God right now I fall to my knees and I cry out to you asking that you give great comfort to this family and friends of Joseph through this time of sorrow. In Jesus name I pray. Amen*
