“ Mike was a one of a kind friend. One that would do anything for you if it was in his power. He was a family man. Loved you with all his heart. Lived life as it should be. Caring for all needed a helping hand and giving to those who needed something.
A father and a father figure.
He will be missed by all. Mike I'll miss your visits to Key West and all those beautiful sunrise pictures you'd take. Now you have the perfect sunrise. I love you now and forever.
