“ Dear family of Joseph Daniel Moldovan, I'm so sorry for your loss and I know this will be a rough period for you and your family. The bible though gives a wonderful hope I'm sure you would love to know more about. Acts 24:15 says there is going to be a resurrection so that means hope of seeing your beloved father and friend again! A scripture for comfort is at 2 Corinthians 1:3,4 where it assures God is a father of mercy and of ALL comfort, who comforts us in all our trials. The bible gives us a wonderful hope for dead loved ones that we mourn now but joy thinking about the hope for seeing them again in the near future. Visit our JW.org website for more information. Once again sorry for your loss and I hope this will at least give you a measure of comfort. Sincerely, Danny
