“ Joe, thanks for all the memories. From blowing up cricket lighters, to parties at OPB Beach, racing and building. You were always a blast to be around. Although it's been years since we have seen each other you will be sorely missed. R.I.P. my friend. P.S. We did win that race against Richie.

“ I worked with Joe for the thirty two years he worked at Currie Ford. I quickly discovered we shared a similar work ethic and drive for success. It's a sad day when someone like Joe leaves us. He brought joy to a lot of people and led by example. I won't forget him any time soon. I knew him as a good man.
