“ Dear Lynda, Brenda, Donny, and Jimmy, I was not home when your dad passed away and missed his service. He and your mom were very special to me. And he made all those who he loved feel special. I share in your grief; but can just see him and Edsel sharing a laugh together in heaven. And figuring how to do the remodel on Minnie Lou's mansion. :) Many hugs to all his family.

“ I thought a lot of both your parents and have some good memories of both. I know that he is in a better place and with his love. They both have been very special people to me and I will always keep them in my heart. My prayers are with you all.

“ Papa Scott you will be missed but never forgotten . I always got a kick out of your stories and jokes. You were a wonderful man , and the kind of Father that every child should have as a Father, You were a Great Husband to Mimi Scott. Brenda would share stories about you to me . You and Mimi became my family too , I loved you both as my on . I know that one day I will see you again in Heaven and we will rejoice in the Lord . Amen
