“ *My heart is very heavy after learning of Joe's passing. My sincerest condolences to his family. He provided a great example of what it means to be a man who is truly dedicated to his family and friends. He always treated me as if I were one of his own and for this, I am truly grateful. My life is certainly richer because Joe was a part of it. I can't help but smile every time I think of him. He will be missed.*
