What a beautiful video for such a beautiful lady, both inside and out!! What a legacy Joy has left behind. My heart goes out to the entire family and everyone she has touched over these years.

What a great video of such a lovely lady. There's a lot of very evident love in those pictures. I feel blessed to have known Joy and wish I could have spent more time with her. I loved listening to her stories!! My heart is broken for all of her family. May she rest in peace.

“ I was blessed to have known Ms. Joy my whole life. No matter what or where she saw me, she stopped to hug my neck and tell me how pretty she thought I was. She always had a smile on her face. And the happiness in her life was true. She lived her life by example. She is a woman, mother, and wife I will always look up to, respect and love. Most of the time when our loved one's pass, we pray they are with the Lord. Not with Ms. Joy - she lived and walked with God here..... I know she's with him now. You will be missed here. But we will see you soon.
