“ Aunt Joyce, well what can I say...met the entire family at a very young age, became quite close with Terri and our familys bonded. Lived across the lake and Terri and I would walk to each others houses daily. We started swimming, brownies, girl scouts, etc....I will not forget the jet long black hair, playing cards and getting me hooked on the soaps...What great memories, traveling to Okeechobee in the motor home, swimming at the house, just everything..God has another Angel, say hello to my mom... You will be missed...love to the family

“ I was so saddened to hear of Aunt Joyce's passing; she will be greatly missed. She and my Mom were very close and I have many wonderful memories of the two of them together. Aunt Joyce was with us at my Mom's bedside when she died and I'll always remember how special it was to have her there with us at such a difficult time. She was a true lady; spirited, yet easy going, fun loving and kind. How she remembered birthdays I'll never know, but up until the past few years, I always received a birthday card. I sadly say goodbye to someone who influenced my life and holds a special place in my heart.

“ Each day I go onto the Daily Commercial and how sadden I am to see that Mrs. Fessenden has passed away. Many sweet memories of Joyce & Johnnie (as I believe she referred to him). In my youth J & J would take me with them to see all of Billy's swim meets across the State of Florida in the motor home. What an adventure for such a young girl...and all the good eats too. She made the best fried chicken and introduced me to fried okra...which I still love today. Joyce had a big HEART and ALWAYS made me feel like family when I visited from time to time. Though I had not seen her in the last several years, I always wanted to stop by and see her on Lee Street. Even as recent as May/June of this year. I would send her annual Christmas Card Letter and let her know how I was doing in Raleigh NC. Joyce was a great woman, with a big heart and only wanted to give her love to those who wanted to receive it. I was one of them - and thank you Joyce! One last cute memory of her (back in the day) was her long jet black hair...I hope that makes everyone reading this smile! To the extended family; I am extremely sorry for your loss. I just lost my father June 30 so I know their sadness. Keep your chin up and your eyes dry. Joyce, since you are in heaven now...tell my father Stan hello.
