“Joyce was always a fantastic aunt. She was quick to laugh, tease and joke around with. When Sue and I would visit down in Florida, she still always would see a youthful view of life. She would always have a kind word and part with love. As a kid, I always felt safe and loved around her. God’s blessings be upon You auntie as You see our savior and Your glory. You will be missed for the short time we will be apart.
