“ Mom was a very strong woman with a big heart. She had many friends in Sumter County. Mom was quite the social butterfly. I know she enjoyed going with her best friend on yard sale outings. It made her happy to sew for people. At one time she actually made gowns for the entire choir of her church.

I loved Aunt Judy's blouses She embroidered them beautifully each and everyone making them look so pretty. She had a beautiful smile.

*Aunt Judy was a special lady. Mom, Her sister Lois, and Aunt Judy had a special bonding. I still have the dolls she made for me over the years and have them displayed in my living room. She will be missed but is now walking the streets of gold with Jesus.*
