“ *Hello. I am so sorry to hear of Judy's passing. I had the fortunate pleasure of working with her as a power dispatcher. We both ended up at Mid-American, where we both retired. My prayers are with you, her family, and hoping her memories will provide many pleasures. Sharon Cox, Keosauqua, IA*

“ *I am a former classmate of your mom. We reconnected at our class reunion in Orange City 2 years ago. She was a dear friend. We had lunch last May in The Villages and she shared many highlights of your family. She dearly loved each of you. Cherish the memories. God has a plan. I pray He will grant you all His peace today and always.*

“ I am so sorry to hear the news about your Mom, Judy. She was a great friend as we went from kindergarten through high school together. My father worked with Judy's dad at the printing press shop and we often walked together from school to see our Dads. I also met many of you at your Dad's funeral in Des Moines. My sympathy goes out to all of your family and I will certainly remember you all in prayer.

“ We were classmates of your mom and I was part of her wedding party. Rob I & Marty played with our children Todd & Barry when you were little. We had lots of fun together. Remember all the good times with her. We pray God's blessings for each of you.

“ Dear Family of Judi.. That is not a misspelling, at least for me. When Judy and I were such good friends in middle school and high school, we decided to switch the letters in our names. She became Judi and I became Lynda. I didn't keep it that way but Judi did, at least for a long time. She was such a good friend, so sweet and adventuresome! My sympathy to you all for the loss of this beautiful lady.
