

Judy Ann Seasor

October 4, 1942 - June 10, 2021

Judy Ann Seasor departed her earthly home and joined her heavenly family on June 10, 2021. Judy was born in Virginia on October 4, 1942 to Burnett and Pearlie Roberts. She was 1 of 13 children and grew up in West Virginia. Judy was especially close to her 2 sisters, Hallie and Rachael. She was with them when she met her husband, Charles "Skip" Seasor in 1956. Although their relationship was different than most, they built a family that was a great source of pride to them both.

Judy was a spirited lady that, because of life circumstances, had a tremendous amount of grit. If asked a direct question, you'd get a direct and honest answer. Underneath all that strength and spirit was also an extremely devoted mother and grandmother. Judy loved "her people" fiercely and was happiest caring, cleaning and cooking for them. She was a hard-working waitress and spoke often about her many jobs at different restaurants. Judy had an incredible work ethic, and together with her husband, worked hard to provide for her family throughout the years.

Judy leaves behind 5 children, 5 grandchildren and 5 great grandchildren whom she loved dearly. She touched each person in her own unique way and we are all left with wonderful stories and memories of our beloved Judy.

A memorial service celebrating the life of Judy and late husband Charles

Seasor, who passed during COVID, will take place in Florida on September 4, 2021.

Arrangements entrusted to Beyers Funeral Home of Bushnell, Florida. Online remembrances may be made at www.beyersfuneralhome.com.

“ *So sorry about Judy. I remember her well when we were kids growing up. I will relay this info to her other cousins here in WV.*

“ *So sorry to hear of Judy's passing. She and Skip had love for all their children and gave them all they could. Judy was definitely spirited, she would tell you exactly what she thought. We know they will be missed very much but life goes on and we all have to try and do our best to live a good life and thank God every day for everything. We never know when it will be our last. Love to all the family.*
