Judy told me a long time ago don't ever loan money that you expect back. And Judy wanted me to move out of Sumter county because she knew I was supposed to be somewhere else. So Chrissy and I started out on a journey that didn't last as long as I wanted to. But one day Judy and Levon not in so many words they said they were proud of me. I wish I knew that Judy had passed away because I would of been there to pay my respect. Thank You Judy ,Thank You.....

“ We love you, Judy & Orten. we always enjoyed watching you dance and have fun at the table at American Legion Post 111. And to think that it was just 3 weeks ago that you gave us our personalized mug and beverage holder. We will treasure them forever. Thank you for your friendship. We'll miss you.

“ Is met Judy 40 years ago when we were just young and full of it. Throughout our friendship we had many memories of happy times and shared some not so happy times. I will miss her and will always remember her coming in to the thrift store and seeing her at auctions. I am heartbroken and will miss her phone calls late at night. She always cared about people and talking to me about her dancing. I am praying for her family to get through the coming years. God bless her and her family.
