“ And be glad with her, all you who love her; Rejoice for joy with her, all you who mourn for her;... Behold, I will extend peace to her like a river, And the glory of the Gentiles like a flowing stream. Then you shall feed; On her sides shall you be carried, And be dandled on her knees. 13 As one whom his mother comforts, So I will comfort you; And you shall be comforted in Jerusalem." 14 When you see this, your heart shall rejoice, And your bones shall flourish like grass; Judy was one of the sweetest people that I knew. When she saw you, she made you feel like was she genuinely was happy to see you and she really saw me when she looked at me. And Penny...she sticking her tongue out at you. To Jess, JJ, Loretta, your husband and the grandbabies, Aunt Audrey, Uncle Dan, Gerald, Marie, Penny, Homer, Lindsay, Stephanie, Wendell, and the rest of the list encompasses all of you. May the God of all comfort surround you now with His tenderness and love. I love you all so much and Judy will be missed! Teresa (Rogers) Nickerson

“ Loretta have been keeking you and your family in my thoughts and prayers. I am glad that you could be with your mother and yes as you told me per out telephone conversation the day before her passing what is important that she had things right with God. I am sure that she did and that must make you feel much more at ease. I know it still is hard to give her up however watching her suffer is not easy either. Always know that we all love you back here and miss you at work. However am glad that you got to spend the quality time with your mother before her passing. Love you Sharon
