“ We are so sorry to here about Judy. We can only be comforted by the fact that she is now in heaven with her Mom and heavenly family. I remember Judy as a hard worker and forever caring for her family. I know she loved you'all very much. I am her cousin, Winnie. My dad, William, was her "Uncle Billie". My husband, Don, and I are keeping all of you in our prayers. We cannot attend on Wednesday but with be with you in spirit. Sincerely, Don and Winnie Dolce

“ Desi and family, Words seem so inadequate to express the sadness I feel for your family at this time. Your mother was such an example of God's love. I always found her to be friendly and kind. Love in Christ, Linda Tillman

“ Mom, I love you and miss you so much every day. Love Dori <3  
Thanks to everyone for your warm thoughts and prayers at this  
difficult time. I want to share something with you all... I found a letter  
Mom wrote, I am guessing several months ago ... in the letter there  
is a scripture that I will adopt as a favorite of mine ... James1:2-4  
sorrow and joy go hand in hand. Joy in sorrow comes when it brings  
good to others and when it brings us closer to Christ. It was Mom's  
prayer (she also wrote in the letter)... "It is my fervent prayer that the  
events that have occurred will generate an attitude of deep remorse  
in hearts and lives so that our sorrow will be joy" I'm trying to take  
comfort in her words. I hope you will find comfort as well.
