“ *Julie, Serge & girls and grandkids, We are so sorry for your loss. You have told us many times what a great life she had with all of you and your dad. I really believe we all will see our loved ones again. Just remember she will always be with you as your guardian angel in your heart and on your shoulder. May God give you the strength you need right now and know that he will never give you more than you can handle. We love you with all our hearts.*

“ We didn't get to see Julia after high school days, but have enjoyed all her correspondence with us for all these years. She contributed much humor, faith, household hints, interesting pieces through her e-mails. She was a busy, happy, easy to like gal. Hope her family realizes how fortunate they are to have had her with them for such a long while. We will miss her. Dotty Mack for our bunch.
