“ *It is with a heavy heart that I send my most sincere sympathies to Noel, Julie's niece and sister. Julie was a very special friend to me. I find it quite difficult to comprehend that I will no longer be able to share special activities and moments with her. Julie was a loving, kind and ,out generous person who will be sorely missed by many, but none so much as I. Julie will always be in my thoughts and prayers.*

“ To Noel,

We were saddened to hear of Julie's passing. I know it has been a few years since we've seen you (we moved to StoneCrest in 2011), but know that we are thinking of you during this difficult time. Let us know if we can help you in any way.
