“ Unfortunately, I had not spoken to Julie in a few years. We were friends in high school and were roommates after high school. I have so many good memories of her. Her passing saddens me, and I know that she is truly missed. My condolences and prayers for her family and loved ones.

“ My sister was a beautiful person. She was funny and had one of the greatest laughs you've ever heard. She was loved so much and I just wish she knew how much. I wish she would have known how special she was and how awesome she was. When we got together it would be nothing but laughter and love and fun. I hope that she may finally rest in peace. Thank you everyone for your condolences. She was so special and please keep her girls and grandson in your prayers. This has been a very hard time for our family but hopefully one day there may be beauty from pain. I love you Julie Ann. Please be happy and tell dad I love him and grandpa turner too.

“ So sorry to read of your lost. Julie Ann was a dear friend of mine, especially during my time with the Lake County Tax Collectors Office, we both have seen some difficult times and talked quiet a bit since my retirement in 2003 we did not talk as much as we would have liked. She always talked of the children and how proud she was of them. We will all miss her but will continue to love her memory. My God Bless all of you. Your Friend, Donna

“ To my Daughter by choice not birth. I cannot tell you how my heart hurts and misses you. You were so much a part of my life for 17 years and it is hard to let you go. I have my memories and nothing can take that, this lives on forever. I know you have now rejoined Dustin and you are together again and happy at last. Two souls joined on earth and now in Heaven. I will always be with Chloe, Savannah and Malvin till I see you again. Love you forever, Mama Rhonda

“*Savannah and Chloe, Our hearts ache for you and your family during this difficult time. Mom's are one of the most important compasses in our lives and with this loss comes many layers of heartache to sort through. Life doesn't make sense at many moments in our lives, but know as the flowers bloom and the sun shines so will your hearts again. Embrace each other and one day soon the love around you will give you the strength to rise. Barbara & Diego Cortez*

“*Savannah and Chloe, We are both saddened and so very sorry to hear of the loss of your Mother, Julie. I know she loved you both so very much. She worked hard at her job and the customers loved her personality. I remember how proud she was of her girls and she always had your pictures placed with pride at her station. There are no words that can ease the sadness you are feeling. Just hold on to each other and know that Ms. Julie is in a better place and that she isn't suffering any more. Thoughts, prayers and love to you both and your family. Bill and Sandy Rowe*

“ I am so sad to be writing a condolence for Julie, whose passing was way too soon. However, writing a tribute to Julie is so easy. Julie was the manager of the Leesburg Tax Collector's office when I went to work there. I told Julie on more than one occasion that she was the best supervisor I've ever had and that was so true. Julie made each one of us better people. She knew that the job itself came with a lot of stress and she wanted the workplace to be as stress-free as possible. She left us alone to do our jobs, but made it very clear that if we had any problems or questions that she was there for us no matter what... and she was. Many times, she would say to me "Bonnie, you're doing a great job!" She said that to all of us on a regular basis. I, and so many others in this world, have so much respect and love for Julie Ann Turner McGonigal. She will be missed so much. Love you, Julie. Bonnie Woodberry

“ Julie, you made a difference in so many lives and touched so many people during your life. Your understanding and kind heart will live on in our memories. You were very diplomatic in your dealings with others and could solve the most difficult problems with a smile. You were and are a very special person. My life is much better having known you and worked with you. You were always a friend and team player, pitching in where you were needed. Your work is done now. Rest in peace. Till we meet again.
