“ *Our prayers are for your family during this time. Uncle Julie will be missed. I can still see him on his sweet scooter. May we all learn to live life to its fullest by his example. Hugs to all.*

“ *May it help to know that friends will often think of you, not only at this time but in the days that follow, too. Julien and Vivian, thank you for being the best next door neighbor I could have ever asked for. For your caring, knowledge, helpfulness, and always being there when I needed you. Julien will be greatly missed. I love you both and Amber, too, so much.*
