“ We will all miss Juliet so very much. She was very fortunate to have such an excellent family. She was fortunate to have spent years with a good and kind husband, Wes, who I know she appreciated and loved beyond words. She was fortunate to have mothered two excellent and sweet children in Jonah and Karen who are both a testament to her strong will and great heart. What a painful journey this has been. Even as just a friend of the family, it has been difficult knowing what you all were going through. I feel so profoundly sad, but I can't begin to imagine the extent of your grief. Let's honor Juliet by remembering her strength and beauty every time we see them reflected in her childrens' beautiful eyes. I will honor her by remembering the times I was able to chat and laugh with her as a good friend and I will always think of her kindly.

“ Juliet was one of the nicest persons I have ever met. During the one year I sang in the choir at the First Presbyterian Church, Umatilla, she was extremely nice to me. I saw her a few months before her passing away, and she looked great. I am so sorry for your loss. May God bless you.

“ Wes, I am so sorry for your loss. Thoughts and prayers are with you and your children. I just got back in town and read the notice in The Outpost. I know Juliet fought hard and had love and support from family and friends. I personally did not know Juliet, but knowing you as I did at Spring Creek Elementary, know she had to be a special person. Hoping you and your children find peace in memories of a loving wife and mother.
