“Justin worked Angel Food with me (and us) for months. I became very close with Justin, I spoke to him like my son, my son is in South Florida, Justin actually looked like him, I'm truly sick over this, Mom and Dad I met you guys when you picked him up, we spoke outside. I want you to know as a Mother of a son, I give you my deepest condolences, I couldn't imagine losing my son let alone both of my son's. Your son was a GREAT kid, he touched every one of us, he is special, his heart was in a good place, you should be proud of the wonderful son you raised, there isn't enough words I could say about him, I'm sure your other child was just as wonderful!! I cry when I think of this, all I could say is God be with you and your family, He will see you through this terrible tragedy....I hope you the best and Justin and his brother are in my heart and prayers, along with your family.....Marie

“Because Justin was one of the many to go to the youth night at Sumterville First Assembly of God, and because Pastor Rex is always there for the kids and cares about each and every one of them, I know that Justin had heard the message of salvation: How Jesus died on the cross for the forgiveness of our sins and He rose again to prepare a place in Heaven for all believers...I think that Justin, Paul and Nicholas are there. Lord, please give them all a hug from us and give their families peace. Salvation is for everybody. If you are saved, we'll see them again.
