“ *My heart is broken for your family. Justin will be missed terribly. He was a kind hearted boy and those kids grew up more like brothers and sisters than cousins. My prayers are with him and you.*

*Love,
Denise*

“ He fashioned him of love and beauty. Advise me not my blamer, calamities have opened my heart, tears have cleansed my eyes, errors have taught me the language of the hearts. I can hear naught but the music of eternity in exact harmony with the spirits desires. He is cloaked in full whiteness in comfort, in peace. utter no sigh of agony, but draw upon his face with your finger the symbol of love and joy. Let your hearts sing with me the song of eternal life. Close your eyes and you will see me with you forevermore. go back to the joy of your dwelling, you will find there that which death can not remove from you and me. Leave me. taken from the treasured writings of Kahlil Gibran. I love you all and will be praying for you. I love you Justin, rest in peace
