“ Betty, I am sorry to hear about Duck. We had been corresponding for a while by email. I had served with him on the Kitty Hawk in Vietnam. I will notify all the old VA-37 Bulls that I have contacts for. You and your family are in our prayers. God Bless, Doug `Pete` Peters

“ Duck was an inspiration to me. One of my heroes. Without his guidance I would not have had such a wonderful Naval career. While attached to HT-18 in 1980 he saw in me what others had not seen. He sat me down in his office and began to tell me about the LDO program and how I was going to one day become an LDO. Six (6) years later I was commissioned an Ensign and in 1999 I retired after more than 28 years. Duck came to my retirement and made my day. I told this same story at my retirement. He was Uncle Duck to my 2 children and many others I am sure. My family and I were blessed to have known such a great man. May you rest in peace and we will be seeing you in the future.

“ My dear and loved 1st cousin, who served his country well, will be missed by so many, but one day soon we will see him in our new home. as boys we shared many joys and then through our bussy lives we never for got where we started, uor dads both preachers. We in the last few years through the wonder of e-mail stayed in contact. I like you will miss Lawton here, but I like him knew the promises of our Lord and savour Jesus Christ. I go and prepare a place for you... What promise that is, so I know That I will see him in the everlasting city of God.
