“ I just wanted to express my condolences to everyone. I worked with Karen for many years at The Villages Regional Hospital. I first met her when she was the executive assistant for Tim Menton CEO. She was the face of administration. She was a bright light, a caring, loving, and warm woman. She always had a smile and reached out to help when needed. I have such fond memories of working with her. Your family will be in my prayers. Dolly

“ Dearest Family, Karen had a way of making you feel so special. She always greeted you with a smile and a kind word. We had many "belly laughs" as she would call them. I will miss her warm, generous and fun spirit. She was a "special" friend and woman. I adored her! She loved you all so very much!!! I pray that through the outpouring of love from people she touched that you find comfort and that God holds you close during this time of pain and sorrow.
