“ *Karen honey, no words written or spoken can even approach how much you ment to me and not only to me but to everyone who knew you or even met you. Your kindness, your caring manner, your thoughtfulness is something in very short supply in this world and when you left this world is much poorer becuase of it. But some day by the grace of God we will be together again.*

“ Karen... You have given us a lifetime of memories that I will treasure for the rest of my days. I love and miss you so much. I didn't know I had a message saved on my phone til today, and you were calling to tell me how you were and you were ok. John told me that was a sign and message from you letting me know you are ok now. I thank the Lord for all the days he blessed us with you. Now you are home with Him..well and pain free. How awesome that must be for you!!! Til we meet again, may the Lord hold you in the palm of His hands.... Love Pam

“ Our hearts are so sad at the loss of Karen and yet thrilled that she is in the presence of our awesome God and in no more pain or discomfort I pray that the Lord comfort you and continue to bless you and your families. This is a thought Carol had found and gave to me before she died. I keep on top of my desk and read it often. When I come to the end of the road, And the sun has set for me, I want no rites in a gloom-filled room, Why cry for a soul set free? Miss me a little - but not too long And not with your head bowed low. Remember the love that we once shared Miss me - but let me go. For this is a journey that we all must take, And each must go alone. It's all a part of the Master's plan, A step on the road to home. When you are lonely and sick at heart, Go to the friends we know, And busy your sorrows in doing good deeds. Miss me - but let me go. Anonymous With all our LOVE! Dick Fritzler, Rusty Van Patten, Richard Fritzler II's family and Kimberly Fritzler Platt & Elliott Platt. Please.. God Bless.
