“ *Karen...you came into my life around four years ago. When we talked on the phone for the first time, it was if we had been friends forever...I wish we had been able to meet so we could share a big hug. I miss you so much, but rejoice in the fact that you are free from your pain. I will always remember you...a mother to a beautiful family, a grandmom to the babies you loved so much, and mostly...my beautiful sister...I love you*
