“ My sister Karen was one of the bravest people I have known. She always dealt with things head on. She was my "constant" in this world.

Song by Alan Jackson:

She flew up to Heaven on the wings of angels

By the clouds and stars and passed where no one sees

And she walks with Jesus and her loved ones waiting

And I know she's smiling saying

Don't worry 'bout me

“ We were saddened to learn of Karen's passing. We have many fond memories of gatherings at your home in Silver Lake, where we first met, in addition to the fun times at the Southside pool. Later, we attended parties at your new home. Karen was always such a welcoming and gracious hostess. I will always remember her warm smile. Our thoughts and prayers are with Dave, her loving husband, as well as all her family members and caring and loving friends. We will miss her but never forget her. Her light will continue to shine in the memories we all carry in our hearts.
