“ We were so blessed to have Katie and Hermann join our family with the marriage of Tanja and Jeff. Actually, we became family at our first meeting. It seemed we had known each other all our lives. Katie was an unintentional matchmaker. Once Jeff tasted her cooking, he was hooked. he knew that Katie would teach Tanja the recipe for Rouladen. I have so many wonderful memories...Katie doing the "chicken dance" with Paulie at Hollerback's, eating jello (shots) at Tanja's bridal shower, katie dancing with Tanja as Hermann played the squeezebox. We will miss those days, "Oma". Your talent is now beginning to blossom in your great grandbaby, Alex, who delights us all with her singing and dancing. We love you and will miss you.

“ Dear Anita, John and Kathy with all of your families; Our deepest condolence. We have a lot of happy memories of your mother and will always cherish them. We will keep her and all of you in our prayers. Michael and Sylvia (your Cousin) Harrer from Hofen, Germany e mailed me the other day and wanted me to express their sympathy. There was not a trip to Florida in the later years that we did not stop and visit your parents and later Kaethe at the assistant living place and always remember her smile when she saw us. It is never easy losing a parent, but may the happy memories carry you through the difficult days ahead. with sympathy Anni, Dagmar with family, Baerbel with family and Gudrun with Family
