“ I am so sorry for the loss of Kathleen. She was so kind and loving and the best story teller I think I have every met. We were cousins. She intuitively knew what I needed in knowing more about our families and she made me laugh and cry. I will miss her every day.

“ I was sorry to hear that Mrs. Bennett passed away. Mr. and Mrs. Bennett were great friends of my grandparents, Fred and Virginia Baughan, and they spent every Christmas Eve with us. I have such wonderful memories of her. She was an inspiration to me. I missed them when they moved to FL and we lost contact with them over the years. I am praying for the family. May God give you peace and comfort. Sincerely, Kelley Baughan Ullom
