“ Dear Steve and Dereck, so sorry to learn of Toots passing. She was always a sweet girl and not sure how see ever got ". Toots" but that is how she has been known since we were growing up. Even though when ever she saw you never complained about using a scooter or her oxygen was just like it's a normal thing! I so admired the grace and zest she had for Life. She was always a proud Mom and would light up telling us how he was doing. She was always loving and encouraging everyone and so enjoyed pictures posted of all the kids growing up. She will be missed by so many. You will be in our thoughts and prayers .Ted & Bev Akins

“ Though not of the immediate family, I met "Toots" through Donald's sister, Mary. I immediately liked her, how could you not? She had such an exuberant love of life and the people in it, being around her was a joy. My deepest sympathies to her family and friends, all of whom I know will miss her terribly.

“ *To Steve, Derrick, Phyllis and all of Toot's family and friends. She will always be in my heart. I guess God took her home so she could not be sick anymore and be with her Daddy. Please accept my love and sympathy. She was a lifelong friend. I'm happy we had the time we had to visit in October in Florida. May peace come to all. Love you Toot's!*
