“ Sending deepest Sympathy to Christy and her family in the loss of her Mom. Lifting you up in prayer that you will take comfort, knowing that others care. Someone has said, "God is the Giver of Life and the Conductor of Death. Only he knows the reasons for calling someone home.

“ Met Kathy years ago at the North lake Flea market where she and Leonard had a close relationship and she helped Leonard with his little business. We grew to love Kathy and cherished her friendship. We were shocked and saddened to hear of her passing. Our deepest sympathy and condolences to her family.
