“ As we all recall our times with our dear friend, Kathy, let us smile....her smile was so sweet, those eyes so bright, her love was shown to all....Kathy cared for everyone in her quiet manner, she helped all who she came in contact with. Enjoy your new home with Jesus, Kathy. We will miss you here, but will see you in time. Thank you for being a real person and for your love. Until then, my friend, until then. To Kathy's family, may you walk daily with Jesus and be comforted knowing she is whole again, happy and helping Jesus paint the skies. When you see a painted sky...think of Kathy helping Jesus paint it. Ah, what an artist she was, she can surely paint the sky.
