“ *Kay was a beautiful lady, inside and outside s. She was kind, gentle and sweet natured. She loved the Lord, her family, her country and friends. Kay and I often shared a table at a widow's high tea. When we both could go to church she gave great input in class. She will be greatly missed by all who knew and loved her. My sincere condolences to her family.*

“ Kay was loved by all who knew her. She was a gentle force who loved God and lived her life in purposeful faith. She and my Mom, Pat Hutto, were inseparable and shared so many hiking adventures in the mountains near Linville Land Harbor. We shared many meals together when I would visit our family mountain house. She was a gift and light in the life of all who knew her.
