“Kitty was one of the sweetest women I have ever met. My husband and I used to eat breakfast with her and Frank and others from Morrison often after church. She was wonderful with my daughter (now 32) and Laura adored her. She was one of those rare people who was a blessing to everyone she encountered.

“Our sincere condolences for the loss of your mom, "kitty". Having a mom that was also a best friend is a joy to be celebrated. Take strength in knowing you provided lifelong love to your mother and provided care in her final days. Remember, Jesus is love and his love makes a way for us to love, even past the sorrow.

“ Jerry and I are so broken hearted to hear of Kitty's passing. She was a wonderful friend and neighbor. Both she and Frank were such blessings. We'd share, laugh, talk, and get together. Our next visit will be in Heaven because her faith was so strong. We miss you and love you.

Love,

Jerry and Mary Ann Williams 🌈❤️🙏

“ Please accept my condolence. Kitty was such a sweet lady. She will be missed. We have lived in the same neighborhood since my husband and I moved here in 2011. My husband and Frank died about a year apart. My prayers are with the family.
