“ I am still in shock. Kathy was more like a sister instead of a cousin. I loved our almost daily hours of chats. Kathy is finally at peace. See you SOON. Love you.

“ Kathy was such a wonderful person! We have been friends since childhood. I spent many hours in that house! Even though we didn't get to see each other often, when we did, we would talk as long as we could! She was in such bad health, yet had such a loving, grateful attitude about everything, and always, always had a smile. She was one of the happiest people that I know. Her love for life is a testimony of her love for the Lord. I will dearly miss her, but I know that she is whole again and dancing the streets of heaven! My heart goes out to you, Mark and Keith, and all of the rest of the family. It's so hard to lose someone that you love. I'll be praying that God will give you the peace that can only come from Him.
