“ Dearest Huland and family, We heard about Kathy's homegoing through Sue Brown, Mickey Cronich's daughter. We planned to get together with Kathy when we were in FI on business, but she was not at home. I finally tracked her down in the hospital late one evening, so we had a very long phone visit. We did not know her physical condition had gotten worse. During Christmas when our hearts are set on the promised Eternal Life, Kathy is rejoicing in promises fulfilled! Blessings to each of your family and to little Jake.
