“ Keith and Becky's friendship have ment a lot to us since we moved to The Villages. Keith encouraged us to play golf and after a year he and Becky taught us the secrets of the game. We know that God has prepared a special place for him close to Jesus since he touched so many people with his faith and good humor. We'll miss you Keith.

“ *Becky and Family, Our sincere condolences on the death of Keith from his friends at the Chester County Astronomical Society. Keith would be there with me observing on Tuesday nights with me in my neighborhood. and with the club at the BVA. He was a good friend, a good astronomer and will be missed. We've lost touch in the past year or so because everyday life often gets in the way of what we really want to do including keeping in touch with far away friends. I hope the wonderful memories you've shared throughout your life will soon replace the grief and loss you now feel. You and your family are in my thoughts. Kathy Buczynski*
