“ *I taught Kelly in middle school in Gainesville. Kelly was always attentive, polite, and ready to learn. She was social, friendly, and well liked by all of her classmates. She also came daily with her big smile. It was my pleasure to have known and taught Kelly. I am deeply saddened at her passing as I know her classmates also are. With my condolences and deepest sympathies. Vivian Benderwalker*

“ I was the social worker for the deaf/hearing impaired program for Alachua county schools. Kelly was in our program. She was one of the kindest people I’ve ever known.

My daughter, Jasmine has cerebral palsy and Kelly was one of her best friends!! She spent many weekend and spring breaks at our home, at the beach, on the river, and she always felt like part of our family.

My heart is broken that we didn’t stay in touch. She will always be a part of us and we cherish the time we spent together.

With much love and sorrow,

Jasmine and Susan “Browning” Chriss
