“ *Kels was always the most outgoing girl! I hated her for always dragging me out the house to hang out! 3days before she passed, on my walk home from the dollar general in webster she gave me my final hug at the flea market! She hugged me and said, " I Love You Monia!". The hug lasted atleast a minute! I wondered why the hug was so long! Me and Kels have been the greatest friends since high school! After graduating in 2013 we went our separate ways but I'd see her in my neighborhood often! Kelley was full of life and even more the definition of life! She was one of a handful of my ONLY friends! I didn't have many friends but she made her presence known in my life! I should have been a better friend! I should have been more present in her life after high school! I love you girl! Always have! Always will!*

“ *I'm at a loss of understanding why.
I knew you and hoped a long life for you and your new baby. Sad it
went this way. Strength for the family at this tragedy.*
