

Kendra Jean Hosek

April 27, 1948 - July 12, 2017

"Though she be but little, she is fierce"

Kendra Jean Hosek ended her 29 year battle with cancer and fell asleep in the arms of Jesus surrounded by family and friends on Wednesday night, July 12. Her husband of 42 years, Dan, and two daughters Amanda and Katie held her hand and sang her to sleep as she lay in her bed at the Villages Hospital. Kendra was born and raised in Fort Morgan Colorado and married Dan in 1975. Dan's work allowed them to live in many locations others only visit on vacations. They raised two happy girls, then semi-retired to The Villages in 2010 where they enjoyed traveling, partaking in several clubs and visits from their families, including two grandkids Maddie and Zach and son-in-law Rob. Kendra was a devoted wife, mother and prayer warrior. She was the embodiment of "good things come in small packages" and will be missed every single day by her family and friends.

Burial will be scheduled at a later date.

“ *Our paths have taken different directions but Kendra was always in our thoughts. A more genuinely kind and gracious person we have not yet met. She was an angel on earth.
Our thoughts are with you Dan, Amanda and Katie.*

“ *I knew Dan and Kendra all throughout their Alaska years. What an absolutely special person Kendra was! She loved and adored my parents too and they loved her. I just don't have the words to say what an empty feeling I received in my heart when I heard the news about Kendra passing. She will not soon be forgotten and my love goes to Dan, Amanda and Katie!*

“ *Dear Dan and family,
We were shocked and saddened to hear of Kendra's passing. She was such a joy, always positive and shared her passion for Disney and veterans here in The Villages. We will miss her volunteering efforts and mostly her upbeat, friendly, kind personality.*
