“ Michael, Dennis & Ted Our deepest condolences to all of you and your family..Uncle Kenny had the best personality and sense of humor than anyone I know. He sure did love those Irish jokes. I was very fortunate to have been able to spend a few days with him last August. He will truly be missed. He is now at peace and probably celebrating with all of our relatives who have passed...Please let me know if there is anything I can do for any of you. Love, Carol & Keith Daykin & family

“ Michael, Dennis & Ted - there are no words to express my sadness today when I learned of your Dad's passing. We have such wonderful memories of the old farm house - all of us together growing up. Your Dad was a great guy and always had a story of his and my Dad's adventures. May he and your Mom rest in peace finally together again. Love Kath

“ Michael, Dennis, and Teddy! My family and I were so sorry to hear about your dad's passing. He was a great man. He was my dad's best and oldest friend. I'll never forget the unbelievable fun we had as young boys @ Kenny's farm in Maine; listening to the stories and jokes, my brother and I would roll on the floor laughing! I hope your family will find solace in your fun and joyful memories. God bless. Doug ps your dad called me mcdougal!
