

Kenneth "Casey" Creely III

March 3, 1966 - August 4, 2022

Kenneth "Casey" Creely, III went to be with his heavenly Father on Thursday, August 4th, 2022. He passed away suddenly at home after suffering a heart attack.

Casey grew up in Tallahassee, Florida where he became an avid tennis player at a young age. He was an All-American at Lincoln High School and tennis Team Captain at Florida State University. After graduation, Casey stayed on as Assistant Tennis Coach at FSU.

Prior to his death, Casey began working with others struggling with addiction by sharing his own testimony. Casey had already helped so many people achieve sobriety. The joy he radiated when talking about his journey to recovery was contagious! He had finally found an inner peace and it showed.

Casey left behind his three "favorite girls": his loving mother, Patty Creely, his precious daughter, Jennifer, and his soulmate, Karen. He is also survived by his son, Jarret, sister, Paige, brother, Tim, and father, Ken Creely Jr.

Casey's life was celebrated on August 20th, 2022. In lieu of flowers, please help support The Casey Foundation at [gofundme.com](https://www.gofundme.com)

Arrangements entrusted to Beyers Funeral Home of Lady Lake, Florida.

“ Casey was my best friend in High School. Casey was a good friend and person and would do anything to help anyone. Casey was larger than life and had a great personality and everyone thought the world of him. RIP brother!

“ I remember Casey, John and myself going on our first 12 step call together! It was in Inverness and he was talking crap about it being all the way in Cuba...lol... just being Casey... but he turned his around backwards and said let's go! He never hesitated when it came to helping someone! He was always there for so many of us! We will continue to do so in honor of him! I love you big brother! You will be forever missed! ~♥Rachael
