“ Dad was far more than just a Dad. He was a friend, a mentor, a listening ear and a travel buddy. While now there is sadness, there is also great joy, knowing Mom and Dad are together again and he will see the family and friends he so missed.

Love ya Dad,
Mark

“ Our deepest sympathies to Sue, Scott & Mark and all of the Daniels family. Ken and Ethyl were the first neighbors we met when we moved here in 2001. They were such wonderful people. They always had a cheerful greeting and an open house. They were particularly great to our granddaughter Katie. Ken knew everyone and everyone knew Ken. I know that Ken was welcomed into Heaven with opened arms as he lived such a joyful life! His happy smile will be missed.
