“ Dear Maryanne, I wish there was something I could say to soften your grief. It was a great shock to hear of your Father's death. I know you loved him so much. Your Father was a remarkable man - the kind of man who would do anything for the happiness of his children and grandchildren. I am also aware of the difference he made in the lives of many people with his warm embracing, compassionate loving personality. He always wore a smile, was a patient kind listener and found the positive ness in most all situations. Please accept my heartfelt condolences and support.
