“ *Dear Knutson Family, I am so sorry to hear about Ken's passing. We knew each other for a short while, when he worked for Wells Memorial in Plant City. I had just started in 1999 and he knew everything and was the kindest person. He was always smiling and was ready to answer questions and guide me to be the best I could be at our location. I only wish I could have told him that now I manage the location. He will always be respected in my memory. Sincerely Verna McKelvin*
