“ I worked with Ken on the Trans Alaska Pipeline. I remember him taking a picture of a wolf outside our truck while I had the windows rolled down. That wolfe flinched from 3’ away and I rolled up that window so fast it caught Ken’s telephoto lens in the window! Ken taught me a lot. If anyone gets this I can be texted at 832-755-2658.

“ My thoughts and prayers are with you Irma and Dee during this time of grief. Ken was a dedicated father, dad and granddad! Although I only had a brief time knowing him, it was always a pleasure being in his company. May the lord give you comfort and peace and bless your family during this time of loss.
