“ I am so sorry for the passing of Kenneth,my condolences to his Family. I know well the pain of losing a loved one in death. What has helped me during this difficult time is God's promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon death will be done away with and we will see our loved ones again. I hope this gives your Family comfort.
