“ We will remember the first time we met Kenny. He made us feel so welcome and comfortable right away to the neighborhood. We will miss his humor, and his Smile and wave as he passed by our home on his motorcycle. Our loving thoughts embrace you during these difficult times.

“ My best friend Joey Thompson, Kens son, is like a brother to me. Growing up I spent a lot of time in the Thompson household, and they treated me as if I were part of the family. Mr and Mrs Thompson were a shining example for me what a husband and wife ought to be. I will miss "Mr. T"s smile, jokes and overall happiness. I love the Thompson Family.
