“ *To my brother Kevin, May God show you mercy! You are my brother regardless and no matter how we differed in life's decisions. I loved you! You were a gypsy, confident, simple, courageous, a loving father and grandfather. When life gave you obstacles you plowed them over. You made life decisions that others would have shied away from. You lived life to the fullest. You will be missed! R.I.P. brother. With Love, Your Sis Susan*

“ Kevin, May you rest in peace in the presence of God. I will always remember the fun we all had as kids growing up; the garage bands, (Karl, Danny, Buddy) the sleepovers, the drive-in movies. So many memories. You will be missed, Kevin but all the memories will remain with us here and we'll look back on those memories and fondly think of you.
