“ I don't know if I ever met Knute because he was a year ahead of me in school. But I know he was on my mom's school bus because she used to say what a nice and polite young man he was. My deepest sympathy to the family. May you rest in peace

“ My love, thoughts and prayers are with you all. I've known Knute since first grade, I'll always remember how kind he was to means called me "little Sally". Of course everyone was little to him in grade school :) My love to the Dobkins family, Sally xo
